

Times Table Challenge

All times tables and their inverses need to be learnt by heart;
 $4 \times 3 =$, $3 \times 4 =$, $12/3 =$, $12/4 =$
 You will be asked your tables when tested, it is not a written test
 You have up to 4 seconds to respond to each question

Bronze certificate	awarded for knowing by heart:	1 2 5 10
Silver certificate	awarded for knowing by heart:	3 4 11
Gold certificate	awarded for knowing by heart:	6 7 9
Platinum certificate	awarded for knowing by heart:	8 12 Square numbers
Maths Award & times table badge	awarded for knowing by heart:	Prime numbers to 100 Tests of divisibility

Good luck!
